5.1.4 - Number of students benefitted by guidance for competitive examinations and career counselling offered by the institution during the year

### **One-day training programme for competitive examinations**

**Parents Meet held on 28-05-2022** where many parents suggested conducting the competitive examinations for interested students. In view of this IQAC and student welfare officer organed “One-day training programme for competitive examinations” for students on 28-06-2022 at C-1 hall, Department of Chemistry, Karnatak Science College, Dharwad. The formal speech was delivered by Dr. L. T. Nayak, IQAC co-ordinator and the event was welcomed by Dr. S. D. Dhumwad, Associate Professor, Department of Chemistry, Karnatak Science College, Dharwad. The special invitee P. Dastagiri Reddy, Chairman, Sri Guru Ragavendra Educational Institutions, Andhra Pradesh trained the students how to crack competitive examinations without coaching. Around 200 students from B.Sc, BCA and M.Sc programmes were participated in the programme. The following are the contents covered in the programme.

1. Students are informed regarding various competitive exams like IAS/ KAS /PSI/ FDA/ SDA/ PDO/ PC/IBPS/SBI/LIC/RRB/NTPCL for various posts available after degree.
2. Guidance given to the students regarding preparations, collection of study materials and how to prepare for the exams.
3. Students are advised to make use of 3 months of free training course in this regard in the Study in Sri Guru Ragavendra Educational Institutions, Andhra Pradesh.
4. Students are given mock test on current affairs to create awareness regarding competitive exams pattern.
5. Students are trained about time management skills and linguistics skills.
6. Study materials were supplied free of cost for participated students.

At the onset, Sri. P. Dastagiri gave students an overview of the competitive examination scenario. A competitive potential assessment test for testing students on their aptitude potential was held. Sri. P. Dastagiri said the sole objective of the workshop is to produce top rankers. “We want students to acquire knowledge rather than mere information. The students should start preparing well before they approach competitive exams. Students only learn the laws of science in the classroom, but the application is more important. Ultimately, the aim is to produce knowledgeable students”. The President Dr. S. C. Chougala, Karnatak Science College, Dharwad, gave presidential

remarks. Dr. Saraswati P. Masti, Student Welfare Officer, Karnatak Science College, Dharwad delivered her heartfelt vote of thanks.
