5.1.5 The Institution has a transparent mechanism for timely redressal of student grievances including sexual harassment and ragging cases.

The college has both Anti ragging and Sexual harassment Cells. Anti ragging committee consist of senior faculty, other staff members and student representative. Similarly, the Sexual harassment committee comprises of senior lady faculty members and female student representative. Meetings of both the cells are regularly conducted. In addition to the regular meetings, urgent meetings were convened as and when any complaints received from the students. Both cells have regular vigilance on the campus. Committee members handle the matter smoothly. Further, the issue is kept confidential to protect the privacy of the students. During the year 2022-23, there was not even a single case reported related to either ragging or sexual harassment.

Karnatak Science college, Dharwad
