**7.1.6.1 - The institutional environment and energy initiatives are confirmed through the following:**

**Beyond the campus environmental promotional activities**

**The institutional environment and energy initiatives are confirmed through the following**

The staff members are actively involved in giving programmes/lectures on environmental protection and preservation. Prof. V.Savirmath, department of Geography had been given lecture on protecting environment under the banner of "Art of Giving", Prof. V.B.Savirmath addressed the local community on importance of the environment and donated plants for plantation at their locality. On 5th June 2022, the world environmental day, conducted plant protection JAATA. On this event the plants were distributed to the NSS volunteers to maintain and nurture at their locality. The NSS programme coordinator Dr. Mangalwade, given awareness programme on the clean and hygienic environment along with students to few areas of Dharwad city. Dr. Mangalwade, has also given awareness on adverse effect of plastics on environment by going door to door in and around the Dharwad city prime areas like University quarters, Dhasankoppa on 19-12-2022.

Dr. (Smt) Savirmath addressing the community on environmental protection and preservation.

Distribution of plants to the students to encourage plantation in the local community.

**Jatha to spread awareness about the environment pollution and its prevention by NSS Volunteers of Karnatak Science College, Dharwad.**
