1. DETAILED REPORT ON ANTI-TOBACCO DAY

Date: 04-06-2022.

No. of Participants 50.

Collaboration: Dept. of Health, Government of Karnataka

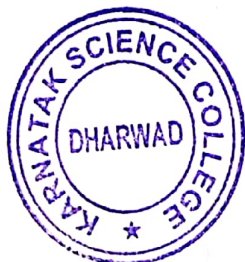

In collaboration with the Department of Health, Government of Karnataka, Karnatak Science College, Dharwad, conducted an awareness program on Tobacco Day 2022 on June 4, 2022. Dr. S. Mangalawade, NSS Programme Officer, warmly welcomed the dignitaries both on and off the dais. The NSS volunteers began the program with a prayer song.

Dr. Shivanand Chougala, Principal of KSCD Dharwad, graced the occasion as the chief guest. He spoke about the detrimental effects of tobacco by citing various national and local examples. He emphasized the importance of raising awareness about tobacco's harmful effects and advised students to steer clear of chewing tobacco.

A resource person from the Health Department, Shri. B.R. Patil, delivered a speech on the use of tobacco highlighting its role as one of the leading causes of preventable deaths worldwide. He shed light on the various tobacco-related illnesses such as lung cancer, heart disease, stroke, and respiratory diseases, which not only affect individuals' health but also impose significant burdens on healthcare systems and economies.

The program saw the participation of 50 NSS volunteers, who greatly benefited from the awareness initiative. At the conclusion of the event, one of the volunteers extended a vote of thanks. The program was deemed a grand success, receiving appreciation from all participants.

Following the program, all volunteers took an oath to actively participate in the fight against tobacco. Let us today reaffirm our commitment to this cause and honor the memory of those we have lost to tobacco-related illnesses. Together, we can create a future where every individual has the opportunity to lead a long, healthy and tobacco-free life.

2. REPORT ON CAMPUS CLEANING DRIVE

Date: 03-06-2022.

No. of Participants: 60

Collaboration: NIL

The campus cleaning drive, organized by NSS volunteers took place on 03-06-2022 at Karnataka Science College, Dharwad. In the drive there were 60 volunteers participated and cleaned the garden area. The aim of the drive was to promote cleanliness and hygiene within the campus premises and instill a sense of responsibility among students, faculty, and staff towards maintaining a clean environment. Volunteers have dugged 30 pits for the tree sapling during world environmental day.

The cleaning drive commenced at 8.00am with an inaugural ceremony, where principal and staff members of the college addressed the participants, emphasizing the importance of cleanliness and their role in contributing to a cleaner campus. Following the inauguration, participants were divided into teams and assigned specific areas of the campus to clean. These areas included Kaveri ladies hostel, principal old bungalow, Dept. of Chemistry garden, lawns, parking lots, and other common areas. Each team was provided with necessary cleaning equipment such as brooms, mops, trash bags, and gloves.

Participants worked diligently to remove litter, sweep floors, digging 30 pits and collect garbage. They also engaged in landscaping activities, such as pruning bushes and weeding flower beds, to enhance the aesthetic appeal of the campus. Overall, the campus cleaning drive served as a reminder of the collective responsibility we share in maintaining a clean and healthy environment for all members of the campus community.

3. REPORT ON CELEBRATION OF WORLD ENVIRONMENTAL DAY.

Date: 05-06-2022

No. of Participants: 80

Collaboration: NIL

Introduction: World Environment Day, observed on June 5th annually, serves as a global platform to raise awareness and foster action for the protection and preservation of our environment. This year, Karnatak Science College, Dharwad, organized a series of events and activities to commemorate World Environment Day, emphasizing the importance of environmental conservation and sustainable practices.

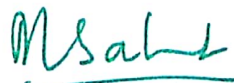

Activities: The celebration commenced with an inaugural ceremony at 11:00 am, where Dr. J.L. Kalyan, along with Dr. G.N. Kummur, Mrs. Ambika, Dr. Saraswati Masti, Dr. Saviramath, Dr. S.S. Mangalwede, and other esteemed staff members of the college, delivered insightful speeches. These speeches underscored the significance of environmental conservation and emphasized the collective responsibility to address environmental challenges. A total of 80 participants actively engaged in the day's events.

The following activities were organized to engage participants and promote environmental awareness:

1. **Tree Plantation Drive:** Participants gathered near Karnatak Arts College to plant trees, contributing to environmental greening and climate change mitigation. A total of 100 plants were planted in designated areas within the college campus.
2. **Clean-Up Campaign:** A clean-up campaign was initiated to remove litter and debris from college gardens and lawns. Participants collaborated to collect and properly dispose of waste, highlighting the importance of waste management and environmental cleanliness.
3. **Eco-friendly Initiatives Showcase:** A showcase of eco-friendly initiatives and sustainable practices was organized to inspire participants to adopt environmentally friendly lifestyles. Various displays and exhibits provided insights into sustainable living practices and encouraged active participation in environmental conservation efforts.
4. **Plant Protection Jaata:** As part of the celebrations, a Plant Protection Jaata was conducted by the NSS volunteers. Additionally, college staff members donated a number of plants to NSS students to promote environmental consciousness and sustainable practices.

The World Environment Day celebration at Karnatak Science College, Dharwad, was a resounding success, reflecting the collective commitment of students and staff towards environmental conservation. Through tree plantation drives, clean-up campaigns, eco-friendly showcases, and plant protection initiatives.

4. REPORT ON 11 DAY'S FREE YOGA TRAINING CAMP.

Date: 11-06-2022 to 21-06-2022
No. of Participants: 100
Collaboration: Karnatak Arts college.

Introduction: From June 11th to June 21st, 2022, an 11-day Free Yoga Training Camp was organized in association with Karnatak Arts College, Dharwad, with the aim of promoting physical and mental well-being through the practice of yoga. The camp provided participants with an opportunity to learn and practice yoga under the guidance of experienced instructors.

Activities: The Free Yoga Training Camp commenced each day at 7:00 am with an inaugural ceremony. Prof. K.B. Gudasi, the Vice-Chancellor of Karnatak University, Dharwad, inaugurated the camp and spoke about the objectives and benefits of yoga in day-to-day life. Participants were welcomed and briefed about the schedule of the camp.

Dr. Chandru Lamani, Assistant Professor in the Department of Yoga at Karnatak Arts College, along with other instructors, led the sessions. Participants were guided through various yoga asanas, pranayama techniques, and meditation practices. Each yoga practical session lasted for about one hour, from 6:30 am to 7:30 am.

The inaugural function was graced by the presence of Shri. Yashpal Kshirasagar, the Registrar of Karnatak University, Dharwad, Dr. Anjana Tambragundi, Finance Officer of Karnatak University, Dharwad, Dr. S.C. Chougala, Principal of Karnatak Science College, Dharwad, and Dr. Shantaram Hegade, Principal of Karnatak Music College, Dharwad. Dr. K.B. Karadoni, Principal of Karnataka Arts College, Dharwad, presided over the function.

The training camp covered various aspects of yoga, including:

1. **Basic Yoga Asanas:** Participants were taught fundamental yoga postures, with each asana demonstrated and explained in detail to ensure safe and effective practice.
2. **Pranayama Techniques:** Breathing exercises such as deep breathing, alternate nostril breathing, and Bhramari pranayama were taught to enhance respiratory function, promote relaxation, and reduce stress.

3. **Meditation and Relaxation:** Mindfulness meditation and relaxation techniques were practiced to cultivate inner peace, mental clarity, and emotional well-being, helping participants reduce anxiety and improve concentration.
4. **Other Yoga Asana Techniques:** In addition to the aforementioned practices, participants were introduced to advanced yoga techniques such as Padmasana, Suryanamaskar, Ardha chakrasana, and Bhujangasana.

Conclusion: The Free Yoga Training Camp concluded successfully on June 21st, 2022, at 8:00 am, with participants expressing gratitude for the opportunity to learn and practice yoga free of charge. The camp provided a supportive environment for individuals of all ages and fitness levels to experience the benefits of yoga and adopt a healthier lifestyle.

5. REPORT ON BLOOD DONATION CAMP.

Date: 14-06-2022

No. of Participants: 100

Collaboration: Rotary Club, Dharwad

The Karnataka Science College, Dharwad, organized a Blood Donation Camp on 14-06-2022, at Dr. V.K. Gokak Central Library, Dharwad, in association with Rotary Club, Dharwad. The primary objective of the camp was to collect blood donations to support local hospitals and medical facilities. The camp was inaugurated by Shri. Ravikumar Maaliger, Syndicate Member of Karnatak University, Dharwad. Dr. Prakash S. Ramangoudra, MD, Dharwad, was the Chief Guest. Dr. K.B. Karadoni, Principal of Karnataka Arts College, Dharwad, presided over the camp. Dr. S.C. Chougala, Principal of Karnataka Science College, Dharwad, was also part of the camp. Dr. Nandeesh Rotarey, Blood Bank Medical Officer, Dharwad, and Dr. M.B. Dalapati, NSS Coordinator of Karnatak University, Dharwad, were the Special Invitees. There were more than 100 students who participated in the camp, in total, 60 students donated blood during this camp.

Details of the event:

Date: 14-06-2022

Time: 9:00 am

Venue: Dr. V.K. Gokak Central Library, 24X7 Hall

Organized by: Karnataka Science College and Rotary Club, Dharwad

Supported by: NSS Volunteers, K.Sc. College staff, and staff of Rotary Club

Number of Blood Donors: 60

Donation Process: Eligible donors proceeded to the donation area, where trained phlebotomists collected blood using sterile techniques. Donors were provided with refreshments and rest areas post-donation.

The Blood Donation Camp organized by Karnataka Science College was a resounding success, thanks to the generosity and support of donors, volunteers, and partnering organizations. The event not only replenished the blood supply but also raised awareness about the critical need for regular blood donations.

6. REPORT ON CELEBRATION OF YOGA DAY

Date: 21-06-2022

No. of Participants: 100

Collaboration: NIL

Introduction: International Yoga Day, celebrated annually on June 21st, is a global event aimed at promoting the practice of yoga for physical, mental, and spiritual well-being. This year, Karnatak Science College, Dharwad, organized a special event to mark the occasion and raise awareness about the benefits of yoga.

Event Highlights: The celebration of International Yoga Day commenced with an opening ceremony at 6:00 am, attended by 100 participants from diverse backgrounds, including students, faculty members, and local community members. The event was graced by the presence of Dr. S.C. Chougala, Principal of Karnatak Science College, along with Dr. G.T. Gudgur, Dr. S.M. Tuwar, Dr. Blais Lobo, and Dr. Ranganath, who emphasized the importance of yoga in leading a balanced and healthy lifestyle.

Yoga Session: Dr. Chandru Lamani, a certified yoga instructor, led the participants through a series of yoga asanas, focusing on different poses to improve flexibility, strength, and posture. Participants were guided through proper breathing techniques and alignment to enhance their yoga experience. The session concluded at 8.00 am.

Conclusion: The celebration of International Yoga Day at Karnatak Science College, Dharwad, was a tremendous success, bringing together individuals of all ages and backgrounds to experience the transformative power of yoga. Through this event, the college aimed to inspire people to incorporate yoga into their daily lives and reap its numerous benefits for physical, mental, and spiritual well-being.

7. REPORT ON PLASTIC FREE CAMPUS INITIATIVE.

Date: 28-06-2022

No. of Participants: 80

Collaboration: NIL

In response to the global environmental crisis caused by plastic pollution, Karnatak Science College, Dharwad, initiated a Plastic-Free Campus campaign aimed at reducing plastic waste and promoting sustainability within the campus premises. This report outlines the objectives, activities, and outcomes of the Plastic-Free Campus initiative.

Event Details: The Plastic-Free Campus campaign was launched on 28-06-2022, starting at 8:00 am. Eighty NSS Volunteers actively participated in the event. The volunteers were divided into teams and assigned specific areas of the campus to clean by collecting solid waste. The collected waste was gathered at an identified location, and the corporation waste collection team removed it from the campus.

Plastic-Free Policies: Karnatak Science College implemented plastic-free policies, which included banning the use of single-use plastics such as plastic bags, straws, bottles, and utensils across campus premises. Alternative options such as biodegradable or reusable materials were encouraged to promote sustainability.

Outcomes of the Event:

- Reduction in Plastic Usage:** The implementation of plastic-free policies resulted in a significant reduction in the use of single-use plastics within the campus.
- Awareness and Education:** The event effectively educated students, faculty, and staff about the environmental impact of plastic pollution, fostering a culture of sustainability and responsible consumption.
- Community Engagement:** The Plastic-Free Campus initiative garnered widespread support and participation from the campus community, demonstrating a collective commitment to environmental conservation.
- Environmental Impact:** Karnatak Science College contributed to mitigating environmental degradation and protecting natural ecosystems through the reduction of plastic waste.

Conclusion: The Plastic-Free Campus initiative undertaken by Karnatak Science College exemplifies its dedication to environmental stewardship and sustainability. Karnatak Science College remains committed to fostering a culture of sustainability and continuing its efforts to create a plastic-free campus.

8. **REPORT ON GREEN CAMPUS DRIVE (Tree Plantation Drives)**

Date: 30-06-2022
No. of Participants: 60
Collaboration : NIL

The Green Campus Drive at Karnataka Science College campus, arranged on 30-06-2022, aims to promote sustainability and environmental awareness within the campus. In this drive, 60 volunteers have actively participated. Five areas have been identified in the campus, namely Geography Dept., Botanical garden, Zoology Dept. open area, Health care center, and BCA Dept. The participants have been divided into five groups and assigned targeted areas, with each team assigned to planting eight saplings. The Green Campus Program organized tree plantation drives to increase green cover on campus and mitigate carbon emissions. Students, faculty, and staff actively participated in planting trees at designated locations. The Green Campus Program at Karnataka Science College has made significant strides in promoting sustainability and environmental stewardship within the campus community. Through tree plantation drives, waste management initiatives, and awareness campaigns, the institution has created a greener and healthier campus environment. Karnataka Science College remains committed to furthering its efforts towards sustainability and continuing to inspire positive change for the benefit of future generations.

9. REPORT ON CAMPUS CLEANING PROGRAMME

Date: 03-07-2022

No. of Participants: 60

Collaboration: NIL

The Karnataka Science College campus cleaning program was arranged on 03-07-2022 with the aim of maintaining environmental sustainability on campus. The program witnessed 60 volunteers who actively participated in cleaning the campus. The targeted areas for cleaning included Basavan Garden, Botanical Garden, Geography Dept. Garden, and Botany Dept. Garden. The NSS volunteers were divided into five teams and assigned specific areas from which they collected solid waste and cleared weeds. Not only NSS volunteers, but also students, faculty, and staff actively participated in this cleaning program. The Green Campus Program at Karnataka Science College has made significant strides in promoting sustainability and environmental stewardship within the campus community. Through campus cleaning, waste management initiatives, and awareness campaigns, the institution has created a greener and healthier campus environment. Karnataka Science College remains committed to furthering its efforts towards sustainability and continuing to inspire positive change for the benefit of future generations.

10. REPORT ON DISTRICT LEVEL ONE DAY PFMS TRAINING PROGRAMME

Date: 19-07-2022

No. of Participants: 70

Collaboration: K.LE's PC Jabin College Hubballi.

The Karnatak Science College and K.LE's PC Jabin College Hubballi jointly organized a district-level one-day PFMS training programme on 19-07-2022 at 10:30 am, as there are MoUs between these institutions for organizing events, promoting research, and exchanging students and staff. In this regard, this district-level one-day PFMS training programme was organized. The Public Financial Management System (PFMS) is a web-based online software application developed and implemented programme. Dr. S.S. Mangalwade attended this programme along with 25 students from our institution. The programme started with an inauguration by the principal of the college. There were three technical sessions arranged, two in the morning and one in the evening, followed by a valedictory function. Dr. S.S. Mangalwade delivered a lecture on PFMS in the morning session. The programme was a grand success and highly beneficial for both staff and students.

10. REPORT ON GRASS CUTTING DRIVE IN THE CAMPUS

Date: 21-07-2022
No. of Participants: 50
Collaboration: NIL

The Karnatak Science College arranged a grass cutting drive in the campus on **21-07-2022**, at 8.30am as a large area of the campus was fully covered by grass, and students were concerned about amphibians. It was in this regard that the grass cutting drive was organized. A team of **50** skilled volunteers equipped with appropriate tools and machinery was deployed to efficiently carry out the task. The team was divided into five teams of 10 students each and assigned specific tasks. The targeted areas included Basavana Garden, in front of the Ladies Hostel, surrounding areas of the Physics and Criminology departments, and the vicinity of the college canteen.

During the drive, all designated areas within the campus were meticulously attended to, including lawns, gardens, and peripheral spaces. The team ensured uniformity in grass height and eliminated overgrowth, weeds, and debris. Additionally, proper disposal methods were employed to manage the waste generated in an environmentally responsible manner.

Outcomes: As a result of the grass cutting drive, the campus now boasts well-maintained green spaces that contribute to a visually appealing and conducive learning environment. The initiative has received positive feedback from students, faculty, and visitors.

11. **REPORT ON JATA ON THE EVE OF AZADI KA AMRUTMAHOSTAVA**

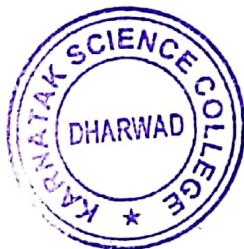

Date: 06-08-2022

No. of Participants: 70

Collaboration: NIL

The NSS and NCC units of Karnatak Science College arranged a Jata event in commemoration of Azadi ka Amrut Mahotsava on 06-08-2022 at 11:00 am to celebrate the spirit of freedom, unity, and cultural heritage. The event aimed to align with the larger commemoration of the Azadi ka Amrut Mahotsava. The "Jata" event witnessed enthusiastic participation from students (70), teaching staff (10), and non-teaching (11) staff of the college. The Jata was inaugurated by Dr. S.C. Chougala, Principal of Karnatak Science College. The procession started from the main building of the college and extended up to the market area.

The "Jata" event succeeded in promoting a sense of national pride, unity, and cultural harmony among participants. The event organized on the eve of Azadi ka Amrut Mahotsava was a resounding success, encapsulating the essence of freedom and cultural heritage. Through its diverse array of activities and engagements, the event fostered a spirit of celebration, reflection, and collective responsibility towards shaping India's future.

14. REPORT ON CLEANING AND PLANTATION PROGRAM BY NCC CADETS

Date: 28-11-2022

No. of Participants: 28

Collaboration: NIL

The Karnataka Science College cleaning program by NCC cadets took place on **03-06-2022** at Karnataka Science College, Dharwad. In the program, 28 volunteers participated and cleaned the garden area. The program started at 10:00 am and ended at 1:30 pm. In this program, the NCC cadets not only cleaned the campus but also dug 32 pits and planted 32 saplings. The aim of the drive was to promote cleanliness and hygiene within the campus premises and instill a sense of responsibility among students, faculty, and staff towards maintaining a clean environment.

The cleaning drive commenced at 10:00 am with an inaugural ceremony, where 24 KAR BATTANIAN NCC officers, the principal, and staff members of the college addressed the participants, emphasizing the importance of cleanliness and their role in contributing to a cleaner campus. Following the inauguration, participants were provided with necessary cleaning equipment such as brooms, mops, trash bags, and gloves, and assigned to targeted areas such as Godavari hostel, around Srujana auditorium, and the PG Block. Participants worked diligently to remove litter, sweep floors, dig 32 pits, and collect garbage. They also engaged in pruning bushes and weeding flower beds activities to enhance the aesthetic appeal of the campus. Overall, the campus cleaning drive served as a reminder of the collective responsibility we share in maintaining a clean and healthy environment for all members of the campus community.
