Academic Year 2020-21

**ACTION TAKEN REPORT OF THE INSTITUTION ON FEEDBACK
REPORT**

The institution has collected the feedback from B.Sc/B.Sc(CS)/BCA and M.Sc students through online. This mechanism is executed by preparing Google forms for five different categories Viz., students, parents, alumni, teachers and employer. Student's feedback is based on four criteria like curriculum, infrastructure, teaching learning process and overall functioning of the college. Students felt that the objectives cited in the Google Form were clear for each course. The framed Syllabus was socially relevant, employability, revised time to time and helps students to be a responsible citizen of the nation. The Google Form also includes facilities like canteen facility, health care centre, gymkhana, functioning of anti-ragging cell, Counseling centre, banking, library facility etc. Feedback on Teachers (Teaching and Learning Process): This feedback covers teaching learning process, punctuality, communication skills, approach towards the students, sharing of innovative ideas etc. IQAC emphasized on teacher's innovativeness, use of ICT in teaching methodology, interactive teaching, and student's involvement in learning.

Sl.No	QUESTIONS RAISED	ACTION TAKEN
01	<p><i>Student's Feedback On Teachers - online</i></p> <p>a. Teacher's pay special attention to slow learners</p> <p>8.49% students have raised the above matter for justification</p>	<p>In comparison with the feedback pertaining to Teacher's communication with students and Teachers special attention to slow learners, since students are of the opinion that teachers have to improve the communication with students with special emphasis on slow learners, principal has strictly instructed all the teachers to pay the attention to this matter to improve the slow learners and also to have good communication skills with students. Principal has also advised all the teachers to educate the students as per their requirements and extra care for preparation of their examination and also for preparing them to undertake civil service examinations. Teachers identify slow learners in classrooms and also in laboratories while they are performing experiments. Such students are asked to repeat experiments by themselves in free time in teacher's supervision. The said matter is implemented by all the teachers as per the principals instructions</p>
