Synopsis of the Activity (Description)

Highlights of the Activity	Students are awaked regarding crimes especially cyber-crimes and violation of traffic rules.
Key Takeaways	<ol style="list-style-type: none">1. 1930 is a number need to be called to complain for cyber crimes2. If any cyber-crime happens, the best thing to do is to report to police immediately, without panicking.3. Don't share any OTP , don't click any unknown links4. Don't post photos on social media5. Don't do any WhatsApp video calls with unknown persons6. Follow the traffic rules7. The Police department is now society-friendly, and it exists to help and serve the law-abiding citizens of the country
Summary of the Activity	ACP Shri Prashanth Siddanagoudr and CPI Shri Prabhu Ghangenahalli have addressed the students regarding different crimes and how to save ourselves from such crimes especially cyber-crimes. Students are made to realise why they should follow the traffic rules. Especially, the problems faced by the younger generation (students) are addressed regarding the usage of mobile (cell-phones) and social media very consciously. Those who are using online transactions are educated not to click unknown links and share OTP with any unknown person. All are educated not to respond to any fraud calls.
Follow-up plan, if any	The officers of the police department have assured the students and staff members of their help, and promised to conduct more such programs in the near future.
