सार्वजनिक सूचना

Subject: Comments/Suggestions/Feedback on the Draft University Grants Commission "Guidelines for the Introduction of Skill-based Courses/ Micro-credentials in Higher Education Institutions and SOP for implementation".

UGC invites comments/suggestions/feedback on the Draft University Grants Commission "**Guidelines for the Introduction of Skill-based Courses/ Micro-credentials in Higher Education Institutions and SOP for implementation**" for offering of skill based courses/ micro-credentials by the Higher Educational Institutions (HEIs).

The skill-based courses/micro-credentials would provide an avenue for continuous professional development and personal growth, thereby fostering a mindset of adaptability and curiosity.

Undertaking skill-based courses/micro-credentials has the potential to increase productivity at work, thereby supporting economic growth through a qualified workforce.

These guidelines are coherent with the objective of the National Education Policy 2020 that encourages switching from the traditional, content-heavy learning method to holistic learning, thereby enhancing the learners skills/knowledge and employability.

The draft University Grants Commission guidelines are enclosed for perusal and invites suggestions/comments/feedback from all the stakeholders. The suggestions/comments/feedback may be submitted through the Google form available at <https://forms.gle/5FM8rzGwMMFy8njRA> within thirty (30) days from the date of publication of this Public Notice.
