DAY 1 (28-5-2023) : Esteemed Karnataka science college was ready to welcome volunteers to their leadership camp . Volunteers all the way from four districts, **KARWAR**: kashmir of karnataka, **GADAG**: work place of Kumaravyasa and birth place of Chamarasa, **HAVERI**: birth place of Santa Shishunala Sharif, Kanaka Dasa and Sarvajna, **DHARWAD**: Pedha nagri and Vidya Kashi . Cluster of volunteers from all these districts were filled with wisdom . One after the other volunteers entered Karnataka Science college campus got themselves registered, joined the camp. In the evening an Inaugural programme was organised. Our honorable Vice-chancellor Karnataka University Dharwad **Prof. K. B. Gudasi** was himself present as Inaugurator, with the presidentship of Principal Karnataka Science college Dharwad **Dr. S. C. Chougala**. **Prof. D. B. Karadoni** Principal Karnataka Arts college Dharwad was the chief guest. Special invitees **Prof. M. B. Dalpati** Programme coordinator NSS Karnataka University Dharwad, Dr. B. S. Tallur District NSS nodal officer. All of them addressed volunteers regarding their upcoming 7 days Camp and the required behaviour. This programme was held in BBA auditorium. After the inauguration programme a session was taken by **Prof. M. B. Dalpati** sir he addressed all the volunteers regarding the **discipline and enthusiasm**, he was expecting from volunteers. All the volunteers were divided into teams. All around 10 teams were made **Shalmala, Sharavati , Kali , Varada, Godhavari, Malaprabha, Aghanashini ,Krishna, Kaveri and Tungabhadra** . Leaders were selected from each team .All the work was distributed among the teams .It was night all the volunteers eagerly moved towards the bungalow where food was ready . All of them enjoyed their food and moved to their hostel to have sleep .

DAY 2 (29-5-2023) : In the early morning , volunteers who were assigned the work of flag hosting that's team **Shalmala** gathered in the ground began their work. One by one all the volunteers joined the hosting. For Monday's flag hosting our Prof. M. B. Dalpati sir was invited as chief guest. Volunteers had taken the topic '**No smoking**' and '**save water save life**' to speak about . Also the team involved in organizing flag hosting had to speak about the river shalmala.. . Soon after the flag hosting volunteers were educated **regarding parade**. After that they were taken to **yoga** under the guidance of **Dr. Chandru Lamani**. Volunteers were filled with positive energy. Soon after all of them moved towards bungalow to have their breakfast. Next Volunteers had their very first **Shramadan** to be done in the college . All the teams were given different places were given with all the equipments required. Volunteers with more interest did the work for more time than assigned. All of them

consumed the delicious lunch prepared and moved to their hostel to get fresh up . It was late afternoon and everyone was busy with planning their dance or drama for the evening. Before that the **cultural programme** a special lecture was organised on the topic **Legal Awareness**. **Dr. Sashirekha Magli Prof Law college Dharwad was the resourceful person who addressed the volunteers regarding legal awareness**. Another lecture which was organised was on topic '**POCSO ACT**' . we had **Smt.Noorajaha M Killedara Advocate, legal examination officer, district child protection unit dharwad as resource person** . Later volunteers began with their cultural programme many of them came forward to deliver their own culture. Everyone enjoyed the programme to the fullest . In the end of programme all the teams exchanged their duties and the team which was assigned the work of flag hosting for the next day received the flag from the team which had done the flag hosting on Monday. Later everyone moved towards the bungalow to have their dinner. The scenario of dinner was different than yesterday as everyone got to know each other. Tired volunteers went to have sound sleep.

DAY 3 (30-5-2023): It was a drizzling morning in Dharwad , volunteers done Flag hosting. Preparations were done, our Karnataka Arts collage Principal Prof. D. B. Kardoni sir was the chief guest on this day . Volunteers beautifully executed the hosting. Soon after all of them, moved towards their YOGA session. Understanding the importance of yoga, Volunteers performed well. . Volunteers enjoyed Breakfast ,later the preparations required for **Shramadan began** . Teams were assigned different locations in the campus . All the equipments were distributed among the teams . All volunteers in their white NSS t shirts with caps moved towards departments to clean it . After hours of Shramadan volunteers returned to bungalow to have their lunch . All of them got freshed up and were present to lecture session organised. Tuesday's lecture was on an interesting topic '**Groundwater management and conservation**' . **Dr. JT Gurdgur Professor Geology karnataka science collage dharwad was the resource person**. Another lecture was taken on '**Importance of sports**' by **Dr. Eshwar Angadi International Kabbadi coach** (retired), Sai sports Authority of India. Volunteers very carefully heard his words many of them asked questions and got answers. Soon after volunteers began with their cultural programmes . Everyone enjoyed the programme. After the cultural programme, the teams which was assigned flag hosting duty on next day received the flag from team which had executed flag hosting today . All volunteers ran towards the bungalow enjoyed their dinner and went to sleep .

DAY 4 (31-5-2023) : Wednesday's morning , Flag hosting team was ready to welcome our chief guest **Dr. S. C. Chougala**, Principal Karnataka Science College Dharwad. Principal sir guided the volunteers regarding **life** very well . Soon after volunteers were sent to yoga session . Volunteers were day by day generating a lot of interest towards yoga . After the yoga session volunteers came up to the bungalow to have their breakfast. With complete energy everyone moved towards **Shramadan**. Equipments were equally distributed to volunteers, were assigned different locations inside the campus. In the afternoon volunteers returned and consumed their lunch . Later moved their hostels got themselves freshed up and were back in the auditorium. Wednesday's lecture was done on topic '**Environmental Protection**' .**Dr. V. G. Savirmat** department of geography karnataka university dharwad was the resource person. Second lecture was on '**Women's empowerment and safety**' for this **Smt. Nagratana S. Jadedda Planning associate and associate consultant Sneha education and development institute, Navanagar hubballi was the resource person** addressed volunteers well. After the lecture volunteers got busy with their **cultural activities** . Day by day many new cultures were appearing almost all volunteers were coming up to perform. Later flag was exchanged .

DAY 5 (1-6=2023): Early morning volunteers were busy with rangoli and few with decoration work. All of sudden rain arrived, volunteers did not panic they stood under roof. . **Prof. J. L. Kalyan Principal Karnataka Science collage was our chief guest for host the flag** . Despite of drizzle our dignitary and his sub ordinates stood in open sky .and Sang **complete NSS song** . Watching that made all volunteers generate more devotion towards NSS . Volunteers completed their YOGA and moved towards shramadana . Volunteers were well with their timings now everyone was being in time . Teams got separated and moved towards their assigned locations to do Shramadan.. Volunteers returned to their hostels got themselves freshed up and were eagerly waiting for lecture. Lecture was going to be on **'Role of NSS student in social reform'** . **Dr. A C Kurahatti** department of philosophy karnataka arts collage was the resource person. Second lecture was organised on topic **'Personality development : leadership qualities'** Dr. Shivananda shelter rtd Prof. Department of Ghandhian studies , Karnataka university dharwad was the resource person. Later volunteers enjoyed their cultural programmes . Many volunteers who used to fear to climb the stage finally performed on stage.

DAY 6 (2-6=2023) : Friday morning volunteers were ready with flag hosting . **Rudresh, director Meru competitive institute** joined us in the morning as a guest to host the flag . Flag hosting was done beautifully volunteers expressed their team names in a very good manner . Next yoga session began, under the Dr. Chandru laman. . Prof. M. B. Dalpati sir spoke to all the leaders of all the teams . Explained and motivated them **regarding being a actual NSS member** . Also today they had an extra work to do with Shramadan. Volunteers had to dig **100pits** for plantation account of **world environment day** . Volunteers did the job well . A plantation programme was organised to which **Mrs. Sonal Vrishti IFS , Deputy conservator of forests Dharwad** division was present for Inaugurationl. **Shri. Yashpal ksheersagara IFS Registrar karnataka university Ddharwad** was the chief guest. **Smt Parimala V H , Mr Prdeep Pawar ,Prof. J. L. Kalyan , Prof D. B. Kardoni were present as special invitees** . Saplings were planted and their maintenance was explained to volunteers.. Volunteers assembled in the adumbration,lecture which was on **'Constructive Leadership'** . . Second lecture was on **'How to face Competitive exam ?'** . **Sharanu Bagur** sir spoke very well and explained them the track of competitive exams clearly. Later volunteers ran their cultural programmes very well . It was night and time for **Shibir Jyoti** a very delicate process which was pleasantly done. Volunteers were amazed to know about the good connection they made with a new person a very short time .

DAY 7 (3-6-2023) : Saturday morning it was planned to take volunteers to the Karnataka University, as they were from different districts . Along with that a rally was also conducted about **avoiding plastic , keeping the campus clean** . Volunteers met to our **Vice Chancellor Prof. K. B. Gudsai Sir at his bungalow** , Sir treated all the volunteers very nicely. He spoke to them and also asked their feedback. Sir was pleased to hear it . . After reaching collage volunteers were ready to attend a programme at the end of which they got their certificates . All the volunteers were congratulated and given their certificates . All the NSS coordinators and all NSS officers were felicitated. Programme ran smoothly. Later one by one all volunteers vacated the auditorium and moved back to their hometown with their luggages . All volunteers thanked the Great Karnatak science college for hosting their 7 days camp in its campus .

Thank you
